Mr. Niemans,

The government would like to extend an offer of \$7,359 for the purchase of the 10 JASSM GPS Antennas. This is based on the price originally paid for the purchase of the lot of military equipment from DCMA. We're looking forward to hearing from you.

Hi Lewis,

We sent an email a few days ago responding to your offer. \$75,000.00 each is the best price we are going to be able to go on these antennas; that is the price after giving the USAF a 40% discount off the price we were originally quoting these units out at. \$7,359.00 for the lot of 10 antennas is just far too low to consider.

Thank You,

Erik Niemans

Mr. Niemans,

I'm sure you understand that the government must determine the prices it pays for parts to be fair and reasonable as the taxpayer depends on us to be good stewards of their dollars. Seeing that these units only cost a fraction of that amount brand new, the government is unwilling and unable to accept that price. I encourage you to propose a more reasonable price so we both can benefit.

Los Angeles, California 90087

Dear Mr. Baum:

This office is in receipt of your intent to file a claim against the United States Government on behalf of DaVinci Aircraft, in the amount of \$1,250,000.00. The United States Army Claims Service, Fort Meade, MD received your communication on June 26, 2015. Our office received your communication on July 8, 2015.

It is noted that you have signed the Standard Form 95 in Block 13a as Claimant. The claim should be signed by the claimant and appropriately dated in Block 14. The attorney can only sign if he/she contemporaneously provides a power of attorney from an authorized grantor that specifically and unambiguously authorizes him to file the claim. **It is always preferable for the claimant to sign the claim.** Please refer to the Code of Federal Regulations for additional information. **The statute of limitations continues to run** until an administrative claim is properly received with proper documentation as to representative or a signature by the Claimant. Since your Claimant is a business, if an agent/representative signs for the company, please provide an "authority to represent" memo (attached).

Once this office receives the Claim in the proper form, this office will process the claim under the Federal Tort Claims Act (FTCA), 28 United States Code (USC) Section 2671-2680. The filing of an administrative claim tolls the statute of limitations indefinitely, or until the appropriate Government agency takes final administrative action in writing on the claim. Final administrative action consists of a denial or final settlement offer. While the FTCA permits filing suit six months after the claim has been properly filed with the appropriate Government agency, filing suit at six months is not mandatory (Title 28, USC Section 2675(a)). If you should decide to file suit, a Federal Judge will decide the case without a jury.

If the Government pays the claim, the FTCA limits attorney fees to 20 percent of any administrative settlement and 25 percent of any recovery as a result of suit (Title 28, USC Section 2678). The claimant pays attorney fees out of the claim settlement.

You are required to submit evidence to support your clients' claim (Title 28, Code of Federal Regulations, § 14.4). **Along with proper documentation with Standard Form 95 (POA) or amended Standard Form 95 with Claimant's signature (with "authority to represent" memo), please provide written substantiation as to the value of the**
